

## *The Power of His Resurrection!*

“And be found in him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith: That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death; If by any means I might attain unto the resurrection of the dead.” (Philippians 3: 9-11)

I remember watching animated film entitled He Man and the character had a punch line that he would declare great enthusiasm every time he is ready to transform from being the puny and underdeveloped Prince Adam of Eternia into the might and powerful He Man. He would raise his mystical sword and say, “By the powers of Grey Skull, I’ve got the power.” After making this declaration he would receive the power that was stored behind the wall of the mystical castle known as Grey Skull then he would be able to defeat his enemies. The resurrection is more powerful than the powers of Grey Skull and some of us are not cheering.

For if the dead rise not, then is not Christ raised: And if Christ be not raised, your faith is vain; ye are yet in your sins. Then they also which are fallen asleep in Christ are perished. If in this life only we have hope in Christ, we are of all men most miserable. (I Corinthians 15: 16-19) This statement doesn’t just apply to those that are already pasted on but it also apply to us who

are yet alive. For we would have no intercessor, no one who would knows our infirmities and weaknesses and was tried in all our ways yet He still pleads for us. No one who would be able to cover us with His innocent and insure the mercies of God in our lives. No one to say, “Father forgive give them.” Can you just see the families that would be swallowed because one of their members touch an accursed thing or those who would be stoned to death for their political correctness. Or watching the storm wipe out the whole west coast because of the abominations committed. Who would continually grant us second, third, fourth and who know how many chances to get up and start again after we fail and sometimes on purpose because of sorrow, sadness, anger or just don’t feel like it. Who would protect us from seen and unseen enemies including ourselves?

Wow! That is Power! We all should come to know and celebrate the power of His resurrection. For truly Christ has the power.
