## A New Year With The Lord

A new year is about to unfold  
With new opportunities to explore  
Doors will open for new experiences  
New adventures with the Lord

Remember not the former things  
The things of this past year  
The Lord will do new things in us  
Much more than we are aware

For He will make a way for us  
As we put our trust in Him  
And He will guide our every step  
By His presence we have within

What God has placed within our hearts  
We find we'll be able to do  
If we look for the opportunities  
We'll see the door to go through

We mustn't let anything hold us back  
But rise up and take our place  
And be all that God wants us to be  
With a fresh touch of His grace
